Senior Services

Senior Speaker Series

Presents **Jason Brandt, Ph.D.**, speaking on

"Alzheimer's Disease and Other Dementias"

Dr. Brandt is Professor of Psychiatry & Behavioral Sciences, Professor of Neurology, and Director of the Division of Medical Psychology at the Johns Hopkins University School of Medicine. He is also the Director of the Cortical Function Laboratory at the Johns Hopkins Hospital. Dr. Brandt is a board-certified clinical neuropsychologist whose research focuses on memory, executive, and other cognitive disorders as they appear in epilepsy and degenerative brain disorders (especially Alzheimer's, Huntington's, and Parkinson's diseases). He has published more than 320 articles and book chapters on these and related topics and has received numerous awards and citations for his work.

DATE: Tuesday, September 27, 2016
